LAND TRANSPORT

ON BOARD COURIER

With our logistics Network, offers door-to-door, hand-carry services for time-critical shipments all around the world.

When time is of the essence, our on board courier (OBC) service uses global airline networks to expedite your time-critical shipments. Whether it's manufacturing components to keep an assembly line running, the latest prototype technology, or a time-sensitive consignment of product samples, we understand exactly what it takes to get your cargo delivered fast.

CARGO CHARTER

INTERTRANS & LOGISTIC SOLUTIONS Passenger charter services is provided with on time performance like a scheduled flight and delivers reliable and cost-effective air cargo charter services for:

- Heavy and outsize pieces
- Oil and gas equipment
- Automotive cargo
- High value commodities
- Aerospace equipment
- Peacekeeping support
- Humanitarian relief cargo
- Dangerous goods
- Aircraft on Ground (AOG) situations

We analyze route, payload and timescale in order to propose the most suitable aircraft for your requirements. We offer part-charters, backloads and other commercially innovative solutions for ad hoc, peak season and project cargo.

We can provide pre-flight advice on packaging requirements, customs and warehousing, and supervise aircraft loading and unloading. We can also coordinate arrangements for special equipment, including cranes and custom-built loading structures.
